

## Osho Festival in Portugal

Friday 1st - Tuesday 5th October.  
Pomar da Serra.

Beloved friends,

Hope you are all doing well enjoying the summertime. It has been a long time since we have been in touch - a very challenging time for me. As you probably all know, our beloved Nartan is no longer amongst us in her bodily form. The last months have been very intense, living alone in this beautiful place we created together. Every day in many moments I see and feel the beauty she created and left for me and for all of us to continue to share it. I try to stay in the moment and allow all the feelings coming up, the grief, the sadness, the gratefulness and most important the love which is immanent all around.

It has been our wish to gather people again here in Pomar da Serra, to honor a vision that we both always had and to share this space with you through meditation and silence. I want to continue living my and our biggest passion - the sharing of the Osho Festival and Osho Meditations, with all that it means for me: my love and gratitude to Osho, music and silence, love, laughter and celebration, being together in this space of simplicity, honesty and deep friendship, connected to nature and to the vast spaciousness of the universe all around us.

Considering my wish to continue our vision I decided to invite you to the upcoming **Temple of Silence - Osho Meditation Camp** in October. Having a team of dedicated meditation facilitators, has been also part of Nartan's vision. Agni and Amana, who have done the Osho Meditation Facilitators Training here at Pomar da Serra, will offer the meditations in the upcoming event. As usual there will be also live music with Tarika, Ashik, Prabodh and myself, Harida.

Everybody who feels to join is welcome at the **Temple of Silence - Osho Meditation Camp**.

We will start on Friday 1.10.2021 at 18.00 and finish on the Tuesday 5.10.2021 after lunch.

Please get in touch if you feel inspired joining the **Temple of Silence - Osho Meditation Camp**. My team and I will get back to you, answer your questions and provide you with all practical information needed.

Looking forward to seeing you here.

With love and gratitude,  
Harida
