You are warmly invited to join us at Mona's studio in Amsterdam. The contribution fee is €47.50. **His last book "Aloneness: A Love Story" is included in this price.**

A Meditation **Playshop** with Krishna Prem

Saturday May 18th from 3:00 PM – 6.00 PM Amsterdam

Join us for an afternoon meditation and cosmic gossip with Krishna Prem.

In this 'meditation playshop' we will explore together the mysteries of life, love, and meditation.
Love is the feminine way to enlightenment and meditation is the masculine way

Krishna Prem, also known as Michael Mogul, is the author of "[Aloneness A Love Story](#)" as well as being a meditation teacher.

Krishna Prem left America over forty years ago in search of himself. **Arriving in India, he met his teacher and friend Osho, who simply said: "If you want to know who you are, be a joke unto yourself. Do not take yourself so seriously."**

Love is, KP

"Meditation means the capacity to be absolutely alone, and Love means the capacity to be absolutely together. Love means rejoicing relatedness; Meditation means rejoicing solitude, aloneness. Both do the same work, because on both the paths the ego disappears." Osho
